

LET ME GO

*May I go now? Do you think the time is right?
May I say goodbye to pain-filled days and endless lonely nights?*

*I've lived my days and done my best—an example tried to be.
So can I take that step beyond and set my spirit free?*

*I didn't want to go at first. I fought with all my might.
But something seems to draw me now to a warm and loving light.*

*I want to go. I really do. It's difficult to stay.
But I will try as best I can to live just one more day—
To give you time to care for me and share your love and fears.*

*I'll not be far, I promise that, and hope you'll always know
That my spirit will be close to you wherever you may go.*

*Thank you so for loving me. You know I love you, too.
That's why it's hard to say goodbye and end this life with you.*

*Please hold me now, just one more time, and let me hear you say,
Because you care so much for me, you'll let me go today.*
